Give in memory of

Remembering CASS in your Will is a way of ensuring that our essential work in supporting Carers will continue after your lifetime.

It is easy to include a gift to charity in your Will, but you should consult a professional such as

a solicitor to be sure that your Will reflects your exact intentions.

Even a small percentage of your estate or modest amount of money left to us can really make a significant difference to the challenging lives of carers.

- **A gift of £5,000** could provide one to one specialist support to give carers a new beginning
- **A gift of £10,000** could help us set up a new Carers Café for a year
- **A gift of £50,000** could provide a team of skilled outreach staff to deliver practical support to enhance the lives of carers

If you would like further information on this please call us.
