

Spring on the Farm

Days out for people living with dementia

Friday 10th, Saturday 18th, Saturday 25th and Friday 31st March 2017
10.00 – 2.00pm

Do you know someone living with dementia who would enjoy a **FREE day out** on the farm with their carer?

Try our innovative new project to support those living with dementia and their families/carers, connecting with the natural environment, socialising and doing simple craft activities. Fun and relaxing activities in a safe and supported setting.

Cannock Chase Area of Outstanding Natural Beauty are funding this exciting pilot project at Beadesert Care Farm CIC following on from our other successful ecotherapy programmes

Lunch and refreshments are included.

Transport available if required.
